Circular 14 of 2017: Possible CMS ICT Services Interruption: 4 March 2017

All the Stakeholders of the Council for Medical Schemes (CMS) are hereby notified that the CMS will be performing a critical uninterruptable power supply (UPS) replacement on Saturday, 04 March 2017. There is a possibility that the CMS servers may be down from 09:00 to 17:00 as a result of the replacement exercise. Should this be the case, we expect all services to be back to normal by 17:00 on the same day.

We regret any inconvenience that may arise, and would like to thank you for your support in this regard.

A handwritten signature in black ink, appearing to read 'Jaap J. Kügel', is positioned above the printed name and title.
