## **Circular 15 of 2017: Invitation to attend workshop on the re-selection of the PMB Code of Conduct Task Team**

You are cordially invited to attend a workshop on **24 March 2017** at **10:00** at the CMS offices to re-select the prescribed minimum benefits (PMB) task team.

The PMB task team is a representative technical team, encompassing mandated representatives of key stakeholders, who will be responsible to update the 2010 PMB Code of Conduct.

The PMB task team consists of four (4) members representing the four (4) constituencies in the healthcare industry i.e.

1. Organs of state
  - a. Council for Medical Schemes
  - b. Department of Health
  - c. The Health Professions Council of South Africa
2. Medical schemes and administrators
3. Healthcare providers
  - a. Medical specialists and general practitioners
  - b. Hospital groups
4. Consumer groups and beneficiaries of medical schemes

Secretariat services for the task team will be provided by the Council for Medical Schemes.

Whilst participation at the workshop is open to all stakeholders in the industry, only fifteen (15) candidates will be elected or re-selected on the day of the workshop.
