Circular 2 of 2014: Reminder to participate in the trustee remuneration online survey

As mentioned in Circular 47 of 2013 published on 6 November 2013 (http://www.medicalschemes.com/files/Circulars/Circular47Of2013.pdf), the Council for Medical Schemes (CMS) has contracted Ernst & Young South Africa to conduct an online survey to assess the current remuneration practices in the medical schemes industry.

This online survey was sent out (via e-mail) on 13 December 2013 to all Principal Officers of registered medical schemes to complete.

Principal Officers, both of medical schemes which remunerate trustees and of those which do not, are kindly requested to complete and submit the online survey.

The submission deadline has been extended to 21 January 2014.

For any queries, please contact Busi Khuzwayo in the CMS Research & Monitoring Unit at 012 431 0407 or b.khuzwayo@medicalschemes.com.

Your cooperation is always highly appreciated.
