Circular 33 of 2012: Approved exposition document: correction of dates for inspection and representations to be lodged

Reference is made to Circular 32 of 2012, wherein the Council for Medical Schemes gave notice that the exposition document for the merger between Bonitas Medical Fund and Pro Sano Medical Scheme will lie open for inspection at both the schemes' offices and the Office of the Registrar of Medical Schemes and that representations may be lodged at the Office of the Registrar of Medical Schemes.

This Circular serves to advise that, taking into account the provisions of Section 4 of the Interpretation Act 33 of 1957 where the method of calculation of days excludes the first day and includes the last day, except where this day falls on a Sunday or public holiday, in which case the next day (which is not a Sunday or a public holiday) is the last day, the inspection period expires on 3 September 2012 and the period within which to lodge representations expires on 25 September 2012.
