CIRCULAR 33 OF 2014: QUARTERLY STATUTORY RETURNS SUBMISSIONS FOR 2014

The Office of the Registrar would like to inform all Principal Officers and statutory return users that the statutory deadline for the submission of the 2014 Quarter 1 Return has been extended to 18 July 2014.

The Office has been affected by the power outage around Brakfontein Substation due to cable theft. This has affected our servers which impacts on schemes ability to access the Statutory Return System.

Please refer to Circular 28 of 2014 for submission requirements.

Your cooperation will be highly appreciated.
