### **Circular 33 of 2016: Authorised audit firms**

The Council for Medical Schemes (CMS) would like to thank all audit firms who submitted their applications for authorisation as statutory auditors of medical schemes.

We would like to inform the industry of the CMS authorised audit firms. To access the list of CMS authorised audit firms click [here](#).

It should be noted that audit firms will still need to be appointed by medical schemes annually for approval by the Registrar.

Yours faithfully,

**Tebogo Maziya**
