### **Circular 35 of 2011: Invite to comment on the draft quality and health outcomes framework document**

Appended hereto, please find draft framework documents (see link below) on quality and health outcomes for your comments and input.

The attached framework document serves as a process of consultation where we seek to obtain input from different stakeholders on the broad framework on quality and health outcomes. It also provides a list of proposed indicators to measure quality and outcomes in the medical schemes environment.

Also attached are the survey feedback (see link below) questions that you are kindly requested to complete and send back after you have reviewed the report and given input.

The deadline for comments on the document is **28 October 2011**. Should you require any further information, please do not hesitate to contact **Michael Willie** at [m.willie@medicalschemes.com](mailto:m.willie@medicalschemes.com).

Your cooperation will be greatly appreciated.  
Sincerely

**Michael Willie**
