Circular 3 of 2014: CMS administrator workshop 2014

Due to the changing medical schemes environment, as well as changes to the South African Institute of Chartered Accountants (SAICA) *Accounting Guide for Medical Schemes 2013*, the 2013 annual return needed to be amended.

The Council for Medical Schemes (CMS) will be presenting a workshop to parties affected by these changes during March 2014. We are aware that this is the period when you are preparing for the annual audit of your respective medical schemes, but would like to encourage you to attend this workshop anyway.

This workshop will cover issues such as the changes to the annual return, problem areas identified during the previous annual and quarterly return analysis processes, and concerns raised by the users of these returns.

The workshop will be held in Johannesburg on 7 March 2014 (Friday) at 9:30am.

Attendance is free of charge.

The workshop will be particularly beneficial to those responsible for preparing, completing, and submitting returns. Auditors will also benefit from attending.

Please complete the [registration form](#) before Friday, 14 February 2014. You can direct any enquiries to Glenda Mosley in the CMS Financial Supervision Unit on g.mosley@medicalschemes.com or by telephone on 012 431 0420. Please ensure that you book early to avoid disappointment since we only have a limited number of seats available.

Kind regards
