CIRCULAR 50 OF 2014: Entry and verification criteria for the identification of beneficiaries with risk factors

The Council for Medical Schemes (CMS) has published Version 8.0 of the guidelines for identifying medical scheme beneficiaries with risk factors in accordance with the entry and verification criteria (E&V Criteria).

Stakeholders and interested parties are invited to comment on this document by making submissions to Busi Khuzwayo before **7 November 2014**. Follow the link below to access the document.

Following a recommendation made by the Industry Technical Advisory Panel (ITAP), the CMS will then publish the guidelines which will set the standards for measuring the risk factors in medical schemes applicable from 1 January 2014. The purpose of these criteria is to ensure that standardised techniques are applied across the industry.

Your input will be greatly appreciated.
