Circular 54 of 2016: Genesis Principal Officer

The Council for Medical Schemes (CMS) has noted that a number of journalists are incorrectly referring to Mr. Brian Watson as the Principal Officer of the Genesis Medical Scheme.

The misleading impression created in various articles relating to Genesis is that Mr. Watson is in fact the Principal Officer of the medical scheme. It appears that neither Mr. Watson nor Genesis has corrected this perception. The CMS accordingly wishes to confirm that Mr. Dennis van der Merwe and not Mr. Watson, is in fact the duly appointed Principal Officer of the scheme.

It would be appreciated if future articles would correctly refer to Mr. Van der Merwe as the Principal Officer of the Genesis Medical Scheme.

Kind regards,

A handwritten signature in black ink, appearing to read 'E. Conradie', is positioned above the printed name.
