Circular 58 of 2015: Planned CMS IT Systems Downtime

Dear CMS Stakeholders

Please be informed that our IT Systems will be inaccessible this coming Saturday, 19 September 2015, from 08:00 AM to 11:00 AM due to electrical rewiring to our UPS array to accommodate the inclusion of newly constructed office facilities. The systems should be up and running again from 11:00AM onwards.

We apologise for any inconvenience caused.

Kind Regards
