## **Circular 5 of 2016: Extension of the Draft Benefit Definition for Breast Cancer project timelines**

The Council for Medical Schemes (CMS) has received feedback on [Circular 75 of 2015](#) concerning the proposed timelines for commenting on the Draft benefit definition for breast cancer conditions as being too short.

The CMS has thus revised the timeframes to the 5<sup>th</sup> of February 2016 to allow full participation from all relevant stakeholders.
