Circular 60 of 2014: CMS office closure due to major upgrading of water network

Dear CMS Stakeholders,

We wish to inform you that the Council for Medical Schemes (CMS) office will unfortunately be closed from 14:00 pm on 25 November. This has been necessitated due to the major upgrading of the water network, which poses a health and safety risk to employees and visitors to the office.

The CMS office will re-open on Wednesday 26 November for normal business operating hours from 08:00 to 16:30.

We apologise for any inconvenience this may cause.

Kind Regards

Daniel Lehutjo
Acting Chief Executive & Registrar
Council for Medical Schemes
