Circular 70 of 2016: Entry and verification criteria for identifying beneficiaries with risk factors in medical schemes

The Council for Medical Schemes (CMS) has published Version 10.0 of the guidelines for identifying medical scheme beneficiaries with risk factors in accordance with the entry and verification criteria (E&V Criteria), please click on the link provided below for the discussion document.

<http://www.medicalschemes.com/files/ITAP%20Documents/Guidelines%20for%20identification%20of%20beneficiaries%20with%20risk%20factors.pdf>

Stakeholders and interested parties are invited to comment on this document by making submission to Busi Khuzwayo at b.khuzwayo@medicalschemes.com before **21 October 2016**.

The CMS will publish the final guidelines, which will set the standards for measuring the risk factors in medical schemes applicable from **1 January 2016**. The purpose of these criteria is to ensure that standardised techniques are applied across the industry.

Your input will be greatly appreciated.
