### **Circular 80 of 2016: Auditor Authorisations and Approvals**

The Office of the Registrar has recently completed the analysis of the 2016 auditor approvals.

We are currently in the process of enhancing the Auditor Authorisation Portal and the application process for 2017.

The industry is invited to provide any suggestions and/or comments in respect of the 2016 auditor approval process, the Auditor Authorisation Portal and the [Standards for Authorisation of Auditors](#), to not only enhance the current system's user friendliness, but also to ensure that medical schemes and members' interests are protected considering the fitness and propriety requirements of statutory auditors as contemplated in Section 36 of the Medical Schemes Act.

All suggestions and/or comments can be submitted to [h.mahlake@medicalschemes.com](mailto:h.mahlake@medicalschemes.com) on or before 9 December 2016.

Your assistance in this regard will be highly appreciated.
