CIRCULAR 61 OF 2005

National Health Reference Price List 2006:

FINANCIAL IMPACT ASSESSMENT: DENTAL THERAPY SCHEDULE

1. In Circular 58 of 2005, reference was made to the fact that the financial projections relating to dental therapy would be somewhat above inflation as a consequence of standardizing the structure, as far as was applicable, between the dental schedule and the dental therapy schedule. The current financial impact projection has now been determined to be 23.37%.
