### **Circular 59 of 2017: CMS Broker Induction Programmes postponed**

Please be advised that the Broker Induction sessions that were scheduled to take place in the Gauteng, Eastern Cape, Western Cape and KwaZulu-Natal provinces have been postponed due to a very low intake and confirmation of attendance in other regions.

The Education and Training unit will inform you as soon as the new dates are available. We hope to conduct these workshops before the end of the current financial year. Apologies for any inconvenience caused.

Kind regards
