### **Prescribed minimum benefit definition project meeting dates**

The table below shows meeting dates for the various clinical advisory committees tasked with establishing clarity and certainty of the benefits prescribed in Annexure A of the regulations to the Council for medical Schemes. We will also send out meeting requests to participants in each clinical advisory committee by Wednesday 20 October 2010. Please contact Baanetse (contact details above) if you have not received a meeting invitation by the close of business on the 20<sup>th</sup> of October.
