Reference: PMB review

Date: 30 March 2009

Publication of scheme-specific reports and key findings from the analysis of REF submissions for quarters 1 and 2 of 2008

Comments on the Risk Equalisation Fund (REF) submissions for the first two quarters of 2008 are available at the statutory returns portal on the website of the Council for Medical Schemes (CMS)¹. A presentation on the key findings of the analysis of REF returns is also available on the CMS website².

Schemes are encouraged to review the comments on their REF submissions and to engage in discussion with the CMS where required.

Boshoff Steenekamp
REF Project Specialist
Council for Medical Schemes

¹ The CMS statutory returns portal is available at:
<https://www.medicalschemes.com>Returns/login.aspx> Note that a username and password is required to access scheme-specific information
