RISK EQUALISATION FUND WORKSHOP: Guidelines for the Identification of Beneficiaries with REF Risk Factors in Accordance with the REF Entry and Verification Criteria

The Council for Medical Schemes invites interested parties to a one-day workshop on **15 June 2007** on the 'Guidelines for the Identification of Beneficiaries with REF Risk Factors in Accordance with the REF Entry and Verification Criteria'.

The workshop will focus on three areas, including the current contents of the guidelines, how to implement these guidelines at an operational – technical level, and a discussion around possible changes to the guidelines that will become operative in 2008.

To effect the above:

1. Please submit comments on the existing guidelines (Version 2.1) and suggestions that could be considered for incorporation in the next Version of the guidelines by **18 May 2007**.
2. Please RSVP to Lerato Kgori per l.kgori@medicalschemes.com by **18 May 2007**. It might be necessary to limit the number of people that could be accommodated

Based on the response a venue will be finalised and a final programme distributed
