Update on PMB task team

The Council for Medical Schemes (CMS) confirms that the industry task team on prescribed minimum benefits (PMBs) is going ahead with the development of a code of conduct on PMB compliance.

Members of the task team are again informed that the interpretation of Regulation 8 in the Medical Schemes Act (Act 131 of 1998) will not be included in the terms of reference of the task team.

Taking account of this clarification, any task team member not wishing to participate further should indicate their status by 9 June 2010.

The deadline to finalise the code of conduct remains 15 July 2010.
