

Developing a new website and Corporate Identity manual for the Council for Medical Schemes – interested?

The Council for Medical Schemes (CMS) is currently engaged in the process of replacing its website. As part of this drive, we are also revising our Corporate Identity (CI).

To this end we are inviting expressions of interest from single suppliers / bidders (who may sub-contract) to participate in the bidding process for:

- Developing a Corporate Identity manual for the CMS
- Developing a new website for the CMS

The deadline to express your interest is 13:00 on Tuesday, 09 June 2009.

Those who express an interest in participating in this bidding process will be sent a Request For Proposal (RFP) document with clear tender instructions. Full details about the solution being sought as well as other instructions will also be contained in the RFP. Suppliers who promote the government's policy of Broad-Based Black Economic Empowerment (BBBEE) will have an added advantage. We will not consider late applications.
